Anita Holub

Hello, my name is Anita Holub. I have lived in Acacia for almost 5 years, come this April. My husband Bill and I have 4 grown children, 2 boys and 2 girls. My background includes certification in the dental field, and 15 years as a dental assistant. I also have kept my CPR certification current. Currently I work part time as a professional child care provider. I believe that the board is doing a great job, and I would love the opportunity to help them continue that process. I believe that I could be especially effective as pool director based on my knowledge and interest in that position, which I hope that the board would consider. I would appreciate all of your support in considering me for this important opportunity. Thank you so much, Anita

I'm Jack Brandush and I have been an Acacia resident for 40 years, currently living at 1 Cascade Drive. I have three adult children, all who have grown up in Acacia.

I have a degree in Chemical Engineering from Purdue University and an MBA from the Illinois Institute of Technology. I am retired from Electro-Motive Diesel, Inc. and was an Environmental Engineer, managing air and water pollution control, hazardous waste and materials, energy and water conservation, recycling, and employee safety concerns for 40 years. I am a registered Professional Engineer in the State of Illinois and a Certified Hazardous Materials Manager.

I have served on Acacia's Board of Directors as Secretary, and for the last three years as Recreation Director, and was Director and continue to serve on the Architectural and Landscaping Control Committee. I have been the volunteer weekend Certified Pool Operator (CPO) for the last five years. I have also maintained the Acacia website giving Acacia residents information electronically.

If reelected, I would continue to work with the current board and use my expertise to look for cost savings ideas to control the assessment while continuing to give Acacia residents the services that have made this townhome complex a great place to live.

LORETTA MURRAY

My name is Loretta Murray; I'm a 14-year resident of Acacia and served as the Clubhouse Director on the Board for the past 3 years.

I'm re-running for the Board because I consider Acacia a great community to live in and would like to continue to contribute to the success and safety of our community. I'd like to continue to serve on the Board to support the needs of the residents. With my business knowledge and management experience I feel I am an asset to the continued success of the Board.

I have 25+ years of business experience in Finance and Information Technology; managing budgets, budget reductions, decision making, problem solving, project management and personnel management. I have several years experience in vendor management and contract negotiating. I have also served on several executive committees throughout my working career.

Thank you for your consideration in re-electing me to the Acacia Board.
