

ROOFING CONTRACTOR LIST 11/1/18

The Acacia Board has established a list of roofing contractors that have shown they understand and consistently follow the Acacia established roofing procedures starting on September 1, 2017. This list will be evaluated on a monthly basis and contractors can/will be added or removed based on their performance.

Homeowners using a roofing contractor from the list will have a reduced security deposit of \$125.00 – use of any other contractor will continue to require a security deposit of \$250.00 and the contractor will be required to contact our Maintenance Department for instructions **BEFORE** the start of the project.

The initial list of roofing contractors is as follows (they are listed alphabetically and the order does not represent if one contractor is better than any other)

- Clem Davis 630-325-5339
- Jimmy's 630-662-0951
- Komperda 708-715-2201
- Pete Cuerillo 708-652-4256
- Roof Tech 630-969-1910

The list is **NOT A RECOMMENDATION** of one contractor over another and the list is based on past performance of work in Acacia.
