

## **WELCOME TO ACACIA**

We believe that you will find our combination of award winning townhomes, open spaces and family-oriented recreational facilities provides a unique lifestyle.

As a Planned Unit Development (PUD), Acacia combines the advantages of commonly owned grounds and facilities with private ownership of townhomes. As a homeowner you are automatically a member of The Acacia Association and entitled to the use of its grounds and recreational facilities. However, coupled with the ease and convenience of townhome living come certain responsibilities to your neighbors and the Association. These are outlined in the Protective Covenants, By-Laws and regulations published in this booklet. It is important that you understand them as they govern our community.

The recreational facilities, extensive common-ground areas and the exterior of your townhome are maintained through the annual assessment, paid monthly and applied equally to all owners. The assessment amount is set annually by the Board of Directors and is limited by the Protective Covenants to not exceed a 6% annual increase.

The Acacia Association is unique in many ways:

- A. We are governed by a Board of Directors composed entirely of elected homeowners who volunteer their time. We do not hire a management firm.
- B. We operate our own townhome and common area maintenance programs which keep costs under control.
- C. We own and maintain our own equipment, where practical, to perform necessary maintenance services.
- D. As a result of our self-administered programs we have been able to maintain an enviably low assessment structure relative to comparable townhome associations in the Chicago area.

We encourage you to enjoy your recreational facilities and participate in your Association activities. Only through participation in both areas can you fully appreciate the advantages of Acacia living.

Regular Board meetings are held on the second Tuesday of each month at 7:00 pm and are open to all members. The Annual Association Meeting, including election of new directors, is held on the fourth Tuesday of February and is open to owners only.

Your address should be shown as Indian Head Park, IL 60525

PACE bus provides service from Acacia to Western Springs Metra station during morning and evening rush hours. Schedules are available at the train station.

You are in Congressional District 3, Senate/Representative District 25/48, and Judicial District 4. You vote for all elections at the Acacia Clubhouse.

Indian Head Park vehicle stickers are required annually and are purchased at the Village Hall at 201 Acacia Drive.

The Indian Head Park Village Hall is open Monday, Tuesday, Wednesday and Friday from 9:00 am to 4:00 pm, Thursday 9:00 am to 7:00 pm.

No parking is allowed on the streets of Indian Head Park (including Acacia) between the hours of 2:00 am and 6:00 am.

Overnight parking of passenger vehicles only is permitted in Acacia cul-de-sac parking spaces or the Clubhouse parking lot provided the vehicle is operable and moved on a regular basis.

No parking is allowed on Village streets when there is a snow accumulation of 2 inches or more. Restrictions remain in effect until all roads are cleared.

Commercial vehicles owned by residents must be kept in their garage. Parking them on your driveway, the clubhouse parking lot or cul-de-sac, except during normal business hours, is a violation of both Indian Head Park law and Acacia rules. Commercial vehicles are defined as any

vehicle bearing any form of sign that identifies or advertises the name or telephone number of a commercial, industrial or business enterprise. These vehicles can be parked in the driveway during the day but will be fined if parked overnight - overnight hours adopted by the Board are between 10:00 pm and 6:00 am.

Residents may temporarily use the Clubhouse parking lot for passenger vehicles provided the vehicle is operable and moved on a regular basis.

Our Protective Covenants do not permit outside parking or storing of motor vehicles (other than private passenger types), boats, boat trailers, house trailers, trailers, campers, commercial trucks or equipment, recreational vehicles or any similar items. Inoperable passenger motor vehicles must be parked in garages.

Trash and recycle pick-up is every Tuesday (days may change due to holidays and notice will be posted. When holidays fall on Monday, garbage pick-up is Wednesday). Trash must be securely tied in black bags and recyclables in blue bags supplied by Groot (708-485-0900), placed on the curb no earlier than morning of pick up. One large item will be picked up at no charge to the resident. If more than one item the resident is responsible for calling the company and making arrangements for pick up. ***Garbage placed outside on non-garbage days, overnight, in non-black bags will be subject to a fine.*** (If Board approved Groot supplied totes may be used.)

Dogs and cats must be leashed at all times and excrement picked up by owner. This is a Village ordinance as well as an Acacia rule and violations are subject to a fine.

As an animal control measure residents, whether owners or lessees, cannot place food on any outside area, including both their property and the common areas. If so done after one initial warning a fine of \$100 per occurrence will be assessed.

No more than two (2) bird feeders (must be above ground) are allowed on private property. Owners are responsible for maintaining and cleaning areas around feeders of seed/food that drops to the ground so as to not attract other animals to the area.

We do not capture wild animals or remove dead animals.

## **HOW YOUR ASSESSMENT WORKS FOR YOU**

The Association is a non-profit corporation owned by each townhome owner in Acacia. The Acacia Association owns and maintains the common grounds, Clubhouse and recreational facilities, and is responsible for exterior maintenance of your townhome. Such maintenance includes lawn care, driveway snow removal, trash and recyclables pick-up, exterior painting, driveway maintenance and other maintenance as required of the common areas.

Your assessment pays for all the normal maintenance, operating and general administrative costs of the Association. The Board of Directors prepares an operating budget each year and distributes it to owners prior to the Annual Meeting. Assessments are due and payable to The Acacia Association on the first of every month. Assessments are the responsibility of the owner. To protect the interests of all owners and the Association, the By-Laws and Protective Covenants provide that failure to pay assessments on time may result in late fees and interest charges along with the suspension of member privileges and services.

All streets in Acacia are public and therefore plowed and maintained by the Village of Indian Head Park. Cul-de-sac parking areas are owned and maintained by the Association.

## **MAJOR ACACIA REGULATIONS**

Outside antennas (except a single satellite dish not to exceed 36" in diameter), clotheslines, window-mounted air conditioners, outside storage of trash containers, or other such items are prohibited, as are outdoor signs except under special circumstances as ruled by the Board of Directors.

The Architectural & Landscape Control Committee must approve all exterior changes to your townhome or lot.

No outside structures allowed overnight on driveways or common ground (i.e. basketball hoops/large toys). No motorized toys or cars are allowed on any grass areas.

Temporary deck gazebos may be erected May 1 and must be completely removed, including all framing, by November 1.

Front yard lights need to be operable and on every night.

Driveway reflectors will be allowed from December 1 to April 1 to mark driveway for snowplows.

Association dumpster may not be used for residents' personal garbage. It is for use by maintenance and landscape crews working for Acacia.

**The Association does not insure your townhome. Owners must purchase an individual homeowners insurance policy on their townhome (not a condominium or renters policy). A copy of the Declarations Page of your policy should be submitted to the Acacia Office yearly.**

Any owner renting out his/her unit must complete and give to the Acacia Office the following documents: a copy of the lease showing only dates of rental and signature of owner and renter, the completed Acacia Homeowners Major Rules and Regulations form and Certification of Receipt of Rules and Regulations form. Failure to do so may result in a fine to the owner.

### **ARCHITECTURAL AND LANDSCAPE CONTROL COMMITTEE (A&LCC)**

The Architectural and Landscape Control Committee, as set up in the Protective Covenants, provides control of aesthetics in our community of 387 homes and assists the Board in enforcing the Protective Covenants as they apply to home improvements and changes.

Acacia is a Planned Unit Development, or PUD, operating under a set of Protective Covenants and By-Laws developed for the common good. Thus homeowners are under certain restrictions as to what exterior structural and landscaping additions and/or changes they can make to their townhomes. The A&LCC is the first line of review for any homeowner-proposed changes or additions.

No patio, deck, exterior modification or replacement or major landscaping work can be started until this Committee has given approval. The only instances where formal requests are NOT required are for **repairs** that do not change the size, material or color of the item being repaired. (example: repair of deck flooring, repair of roof shingles, repair of gutter)

Approval forms are available in the Association office and on our web site. As approval may take up to 40 days be sure to submit your plans far enough in advance of your planned start date. A security deposit of \$250 is required of all such work, to be returned upon approved completion. For decks and patios a copy of your plat of survey is also required and you should consult the Village of Indian Head Park concerning a building permit.

Failure to submit a form will result in a \$100 fine. Any exterior modifications or additions made without approval are subject to being returned to the original condition at the owner's expense, as provided for in the Protective Covenants.

Rural-type mailboxes are not permitted in Acacia. The mail boxes must be fastened to the home or a mail slot cut into the garage.

3. The Village procedure has been as follows:
  - **Open the main arteries (Cascade and Acacia Drive)**
  - **Open the cul-de-sacs**
  - **Clean the main arteries curb to curb**
  - **Clean cul-de-sacs curb to curb**
4. The following procedure will be followed by our contractor in plowing the driveways and parking areas when the designated Acacia Association official calls out the service after an average of 3" of snow has fallen, depending on conditions and forecasts:
  - After the village equipment has cleared a main artery or cul-de-sac all driveways in this areas will be plowed. If there are parked cars in the driveway ***it will not be plowed.***

- A log sheet showing time and areas plowed will be kept each day. We will rotate areas plowed first as much as possible (Village equipment permitting), starting and finishing in different areas until all driveways are cleared.
- Space in the Clubhouse parking area will be cleared to provide parking space for cars while driveways are being plowed. Please park along the north side of Clubhouse lot – closest to Cascade Dr.
- After all driveways are cleared the parking areas in the cul-de-sacs will be plowed. Please move your car at this time so it will not be plowed in.
- To provide more efficient and equitable service to all residents, there is no special plowing list. If a resident wants their driveway cleared before the snowplow reaches their area (according to the rotation plan) they should make arrangements with an outside contractor.
